PIANO PROJECT

A newer (1990's) conservatory-size Kawai grand piano recently became available to replace our ~125 year old piano.

Our sanctuary piano is used by KUC several times a week, as well as several outside groups who make use of our facilities. The Choir agreed to support fundraising efforts. Council approved the project.

An information sheet containing the proposal for doing this project will be at the back of the sanctuary if you wish to learn more. Or just ask Rod or any choir member. The piano was moved Friday (April 5) and is still settling in. It will be tuned after a couple of weeks in its new home, so might sound a little wonky until then. **If you wish to support harmony and donate to this project, please indicate your donation is for the Piano when you make it. The goal is \$6500 and we are at \$2600, 40% of the way there!**
