### DAVE WALKER IS RETIRING!

After 16 years of faithful, diligent and cheerful service, Dave is retiring at the end of this month. In so many ways Dave was the face of our congregation even when people rarely saw his face. We will miss him very much, but we celebrate all that he has given! We pray that his retirement will be one filled with lots of rooted vegetable gardening, delicious cooking and warm winters around the wood stove. If anyone is interested in applying for the custodian's job – or if anyone knows of an individual who might be interested in filling the position – please contact Ralph Knowles (519-396-5580), Pam Plagos (519-396-9310) or Donna Mowry (519-396-7181). Thank you, Dave!

**DONATIONS**

During these difficult times, making donations to the church is severely hampered!

We have added a couple of options to make on-line donations to the church. These can be found on our church web site <http://www.kincardineunitedchurch.org>

**E-Transfer:**

- From the web-site additional instructions will guide you through the process using your own secure bank on-line software!
- With E-Transfer you can make a contribution directly from your bank account to the church bank account.
- The church receives the full amount as there are “no” fees on our end, unlike many other donation methods that charge us a service fee.
- No password is required and the Envelope Steward receives an auto email to update your donation record.

**PayPal:**

- The second option is PayPal. From the website, a pop-up will link to the secure PayPal web site, where you can use your PayPal account OR use your credit card.

**Canada Helps:**

- Now there is a third option using Canada Helps. Click on the link and a customized entry form will assist with your donation.

These contributions will be administered by John Phillips – KUC Envelope Steward E-mail: [kucesteward@bmts.com](mailto:kucesteward@bmts.com) and get these donations added to your yearly contribution totals.

**COVID INFORMATION**

The information about Covid19 that was previously found in the weekly announcements (Updates, What to do if you have symptoms, Dealing with anxiety, etc.) can be

## UNIQUE TEACHERS, UNIQUE STUDENTS

Many of the Plains, Dakota, and Nakota peoples have a sacred connection to the horse. For them, the horse holds immense cultural and spiritual significance, and its energy is a powerful catalyst for change.

The spirit of the horse was certainly present among Indigenous youth from Plains Presbytery in Saskatchewan Conference during the equine-assisted learning (EAL) program at Cartier Farms in Spruce Home, Saskatchewan, a Healing Fund project that's also supported by Mission & Service. Ten young men participated in the week-long leadership program in July 2018. The tools and strategies the EAL facilitators and Traditional Knowledge Keepers used would help the young men grow into strong Indigenous adults.

By interacting with these incredible animals, the young men brought innovation, strength, and energy to everything they did at the farm. Despite the injustices that Indigenous youth face every day, the skills these young people took home helped them understand their place in the circle of life and equipped them with the inner resources to strengthen it.

The EAL program acknowledges the need to support young people as they deal with difficulties in life stemming from systemic racism and intergenerational trauma. For Indigenous youth, the trauma from colonial oppression continues to reverberate powerfully in their lives and circumstances. The impact from the Indian residential school system and other colonial practices is still felt today. The EAL program is a place for Indigenous youth to begin their healing.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
