**PLEASE SHARE YOUR MEMORIES OF JACOB HILLERBY**

Many of you have been holding Jacqui and Rich Hillerby in prayer after Jacob's death this past June – which was the day before he and his twin had their first birthday. Many of you have been asking how to support the family in this time of aching loss. Preserve your memories of Jake and Robin to share with Jacqui and Rich in the coming days, and with Robin as she grows and needs to learn about her twin.

You have choices how to give them this gift of memory:

- Go to the website [www.JacobHillerby.com](http://www.JacobHillerby.com) and contribute a memory
- Write a memory on the card included in this bulletin but don't include your name if you wish to remain anonymous.
- Place your card in the offering plate and Gord will pass it privately to Jacqui and Rich.

Jacqui and Rich welcome all memories – short or long, from close by or from a distance. It could simple like, “I saw the twins from the other side of the sanctuary and they were so cute,” or “I remember babysitting Jacob and snuggling him when he woke up.” It could be longer if you have stories to tell. Don't worry about how well you feel you write, or about spelling or grammar. Whatever the form, every memory is a treasure to this grieving family. If you have a memory you're not sure suits, talk to Gord and he can help.

**Thank you** for making a difference for the Hillerby family.

## ***CHAPLAINCY IN KINGSTON***

Our gifts for Mission & Service support chaplaincy. Let us hear a story of the many avenues of support for chaplaincy in Kingston, Ontario.

Kate Johnson has been supported through Mission & Service in many ways, in theological education and in her work as a prison chaplain, including her time as part of Kingston Community Chaplaincy. We celebrate her many gifts that have been lived out through Mission & Service–supported ministries!

After completing her undergraduate studies at Lakehead University School of Social Work, Kate studied at Queen’s University School of Religion (formerly Mission & Service–supported Queen’s Theological College). She received a Master of Divinity with a concentration in restorative justice. Currently Kate serves as a member on the board of directors for the Mission & Service–supported Kingston Community Chaplaincy.

A firm believer in the value of interfaith dialogue and community building, Kate brings people together from other faiths and within the prison system. The Kingston Community Chaplaincy offers programs for families and those currently in prison and provides support when prisoners are released. At the core of the chaplaincy is the belief that when crime happens, it is not only the victim and offender who are affected but also the whole community. Kingston Community Chaplaincy seeks to promote healing and safety for all people in an atmosphere of learning how to live together in community once again.

We sing thanksgiving for the many ways Mission & Service supports chaplains.

If Mission & Service is already a regular part of your giving, thank you so much! If you have not given for Mission & Service, please join me in making Mission & Service a regular part of your life of faith. In all our Mission & Service giving, with a willing heart, we sing thanksgiving to God!
