### CHALMERS GARDEN UPDATE

Greetings! We have been meeting, seeding and planting since March, despite these uncertain times. We have had to adapt every step of the way, but are assured by our fall garlic planting that we will have some harvest in 2021!

In March Tom started our peppers and cabbage. Later, onions and leeks were started. These crops were potted into trays and sent out to be adopted by community growers. Fast forward to lockdown time, which is when the onion, leek and cabbage crops would go in the ground. The decision regarding planting these crops was made for us with the "stay at home order". Growers were instructed to grow the cabbage and onion for their own use, or compost these plants as we would not be joining in teams to share the work of planting, weeding and watering.

It is now late April and we met again via Zoom to plan the next steps. A cover crop of summer oats will go on most of the rows with the main objective being weed suppression. Before seed forms, it will be ploughed under and a fall cover crop planted and left on for the winter. Peppers will go into a row in early June.

It looks like we will have a few large harvests of peppers, a harvest of garlic scapes, and a row of garlic for the local Foodbanks and Hub. We also have some success with our garlic bulbils. In the fall these bulbils will be separated out and planted in a row. Seed replenishment is important to help avoid disease in garlic crops. These bulbils will be our first seed grown by Chalmers.

Thank you to our growers, supporters and cheerleaders!

*Tom Franklin, Phillip Craig & Krista Ritchie*

### SURPLUS BULBS AVAILABLE

We have surplus light bulbs that we have replaced with LED's and are no longer needed.

Some of the sizes are:

130, 150, 120, 75 watt flood lights, and others.

These could be available for a donation to the church. Anyone interested are to call Ralph Knowles @519-396-5580 for information.

## Bereavement Support -Spring 2021

There is no right or wrong way to grieve...there is only your way and your grief experience will be unique to you. While it can be difficult, reaching out for support after a loved one's death can be helpful and comforting.

### Bereavement Support Groups

Our groups provide a supportive and compassionate atmosphere for sharing and listening. Facilitators and group members attend all 8 sessions, allowing for a greater level of comfort in discussing relevant topics. Confidential video conferencing is provided through Zoom, with instructions and support available upon registration. Sessions start regularly throughout the year, so please call to find out more about our groups and to register.

### Drop-in Chat

The Drop-In Chat is an informal opportunity to receive grief support in a safe, compassionate place with others going through similar experiences. Drop-In Chats occur on Zoom every second Tuesday at 9:30am. Call to register.

### Mindfulness and Grief Webinar series

This is a nine week Zoom webinar series about how Mindfulness practice can be incorporated into your life and be used as a tool to help with your grief journey. The series starts Monday May 10, 2021 at 10 am.

### One to One Bereavement Supports

VON provides one to one telephone bereavement supports by trained volunteers. It is an opportunity where the grieving individual can speak openly about their feelings. Each individual can expect to receive a weekly call from a trained volunteer once a match has been made.
