

## Minutes from the Lighthouse UCW Meeting, June 19, 2023

Seventeen members attended the meeting which was held at the home of Terry Boyd and Joseph Addley in Inverhuron. The setting was perfect for enjoying the view of the lake, the gardens and the sunset.

Donna welcomed everyone and thanked Sheila Bauer for doing all the physical arrangements, helping with the clean-up etc.

Pat said **Grace** before we enjoyed a delicious **Pot Luck Dinner**.

We began the meeting by reciting the **UCW Purpose** led by Pat.

### **Business Meeting:**

Jackie Clements has 2 phone numbers shown on the membership list, only the 396-3655 is correct.

John Phillips would like permission to use the current list of Lighthouse members, phone numbers and email addresses to update the Membership List in the Power Church Program. All present were agreeable.

**Guess Which Picture is the Father of which Member??** Each member brought a picture of her father and these were numbered and mounted on a board. Members tried to guess which father belonged to which member. Afterwards, each member picked up her father's picture and told us a wee bit about him. It was a lot of fun even though we didn't guess many of them correctly

Donna ended the meeting with a **Closing Prayer.**
